

Legendary Finishes' Prefinished siding is only getting better!

Now working with more mills than ever before, Legendary Finishes is still the only one in the Flathead Valley supplying and finishing wood siding.

What does that mean?

We work directly with you to pick EXACTLY what you want.

Change the Texture, the Profile, the Species, the Color, get expert advice for your project, and best of all - support your local businesses!

With over 25 years of expertise; we have researched, developed, perfected, and reinvented the standard for Western Montana.

10 Year Prefinish Warranty*

You can pick from one of our previous projects, choose a stock color, or bring us in something you already like - we will match it or tweak it to better suit your new home!

See us at 115 Rocky Cliff Lane in Kalispell or contact your sales representative for more information

This is your home you should get what you want.
